One Day - Two Great Events!

DBIA-MAR Owners Forum

Come join an open and candid discussion with your peers about the design-build project delivery method. This forum will provide the opportunity to share views and lessons learned; ask and answer questions; and discuss important design-build issues such as Criteria Development, Source Selection, Design Management, and Interacting with Regulators. The focus of this Owner's Forum is on Federal Projects. There will be two additional Owner's Forums in 2010: one for Water & Wastewater Projects and one for Transportation Projects.

Who: All Owners (government and private) are welcome.
Practitioners are not permitted to attend

Cost: \$10

When: Tuesday, March 16, 2010
7:30am-8:00am Continental Breakfast
8:00am-11:00am Owners Forum
