Summary:

While studying at George Mason University (GMU), I have made a connection to the field of Environmental Engineering. Owing to this connection I want to pursue a career in this field. As shown below, I have geared my studies toward civil / environmental engineering. I also have strong computer skills particularly in **AutoCAD, and Microsoft Office**. My plans are to take the EIT next fall and graduate in December 2009 where I will seek full time employment in the Mid-Atlantic Region as a Civil Engineer. I am a hard worker and will do what it takes to get the job completed on time and under budget.

Education:

- **BSCE, George Mason University,**
Fairfax, VA (*Graduation expected December 2009*)
 - Hydraulics
 - Engineering Computation and Design
 - Environmental Engineering
 - Probability and Statistics for Engineers
 - Water Supply and Distribution
 - Construction Systems and Management
 - Environmental Law
 - Transportation Engineering
 - Mechanics of Materials
 - Water Resource Engineering
 - Engineering and Economic Models
 - Design and Inventive Engineering
 - Soil Mechanics Structural Analysis
 - Civil Engineering and Planning Management
 - Traffic Engineering
 - Construction Systems
 - Transportation and Land Use Planning

Work Experience:

- **Sales Representative, Cutco Cutlery**
Fairfax, VA (Summer 2005)
- **Veterinary Technical Assistant, Burke Animal Hospital**
Burke, VA (Summer 2005)
- **Office Automation Assistant**
Fort Belvoir, VA (Summer 2008&2009, Winter 2008&2009)

Relevant Technical Skills:

- Windows 98/2000/ME/XP/Vista/7
- Microsoft Office Suite (Word, Excel, PowerPoint)
- AutoCAD, Autodesk Inventor, 3D Studio Viz
- WaterCAD,

Affiliations:

- Active Member, American Society of Civil Engineers
